Prot. N. 107/2007

N.

Vatican City, 18 February 2011

Reverend and Dear Father Podrzaj,

This Pontifical Commission thanks you for your kind letter of 2 August 2007 in which you mention your desire to address the matter of your excommunication and return to the Catholic faith.

This Commission apologises for its lack of response to your letter due to the file having been misplaced. This Pontifical Commission wonders about the status of your request now some years later.

Before it can respond to your letter this Pontifical Commission requests that you write again renewing your intentions to return to communion with the Catholic faith. Having received your petition it can then forward your correspondence to your Ordinary requesting him to advise the necessary steps that must be taken to address your situation and to have any censures removed.

Once again this Pontifical Commission regrets this technical oversight of the misplacement of your letter, and looks forward to hearing from you as soon as possible.

With sincere best wishes in Christ,

Mons. Guido Pozzo
Secretary
